Director, Intelligence Community Staff

FROM: John M. Ray
Director of Logistics

SUBJECT: Mail Delays

REFERENCE: Memo to D/OL from D/ICS, dated 30 Dec 87, Same
Subject

1. Please accept my apology for the delays you have been experiencing in receiving mail. I have forwarded reference to the Chief, Facility Management Division, Office of Logistics, so that he can personally investigate the matter and provide me with a detailed report.

2. While I do not know the precise reasons for the delay in mail deliveries [redacted] I am aware that we have a critical shortage of personnel in the Mail and Courier Branch which has forced us to curtail services in some areas. We have taken a number of measures to rectify this problem, and we hope to reinstate full services in the near future.

MEMORANDUM FOR: Mr. John Ray
Director, Office of Logistics

FROM: Lieutenant General Edward J. Heinz, USAF
Director, Intelligence Community Staff

SUBJECT: Mail Delays

1. I do not as normal practice request that personal mail be sent to me at [redacted]. However, some professional mail is personally addressed to me at [redacted] as well as some personal mail from correspondents who do not know my home address.

2. I am increasingly concerned about the inordinate delays in receiving mail that is addressed to me personally at the [redacted]. Attached are two examples that were received here on 29 December-- these are not isolated occurrences. Frequently, I receive mail after the date of the scheduled event. It is embarrassing, especially when an RSVP was requested. I would appreciate any assistance you could give me in this matter.
